Class Descriptions

Hatha Yoga: Hatha yoga classes include breath, movement, mantra and mudra. All of our classes have a foundation of Hatha which can be a vast variation. **Our Teachers & Class Levels: Our philosophy is old school with a modern flair.** We have passionate teachers who teach from the heart with a lot of knowledge. We don't believe in a script for our classes because each class is a unique experience with our amazing teachers. Our teachers offer modifications to assist all levels of practitioners in a class together.

Hot Classes (103*): We offer Flow, Gentle, Gentle Flow, Power and Yin Classes. They are the same structure as our non-heated classes but conducted in our state of the art **Far Infrared Heated Room** for the optimal detox experience! Please start with our hot yin or hot gentle when starting a hot yoga practice. **The ultimate Clean and Anti-Bacterial Space with hardwood floors to practice your hot yoga!**

Classic Hatha Class: Great for all-levels and beginners which focus on alignment (holding postures a little longer).
